	Price	\$191	\$198	\$198	\$183	\$245	\$263	\$226	\$307

WHEN ORDERING, PLEASE SPECIFY:

1. Number of Assembly or Part
2. OD and Type of Shoe
3. Top Connection desired

RECOMMENDED SPARES:

- (2) Upper Junk Catchers
- (2) Lower Junk Catchers
- (2) Mill Shoes
- (2) Finger Shoes

Special Note:

Pulling capacities given, assumes that the magnet is in full contact with a finished flat face, larger than the diameter of the fishing magnet. The magnet would be fully charged and the applied load would be with a consistent, steady force. The pulling load capacity will be much less, when engaging with irregular surfaces or smaller surface areas.
